

*A right-side view of the CZ 150 Trial and Scotch Six-Day bike*

who may develop an interest in CZ motorcycles.

Initially, competitors were preparing their machines for the Trial races themselves in conjunction with local organi-

zing qualities. Using their knowledge of motorcycle design and quality metals, the Strakonicians had hit a home run.

*Produced between 1961/66, this is the CZ 250 Trial, Type 475/04*
